Listening

Listen carefully to the sentences.

Write the adverb phrase that identifies with the picture.

**Reading**

Read the sentences. Identify the verb (underline) and its adverb phrase (box).

Hummingbirds are incredibly fascinating. To fly, they flap their wings 50 to 200 times a second. During flight, this creates the humming sound. They can fly very fast about 30 miles per hour or even dive at 60 miles per hour. Hummingbirds are the smallest migrating bird. They regularly fly 500 miles nonstop across large water features. They lick nectar from flowers with their long tongues. They can lick at a rate of 10-15 times a second. They eat about 5-8 times an hour.
